

Hirschsprung's Disease – Call for Proposals

Research on Hirschsprung's Disease and Related Conditions – Request for Applications by The Children's Discovery Institute

Deadlines:

Letters of Intent Due: June 17, 2019, by 5:00 pm
Invited Full Applications Due: August 7, 2019 by 5:00 pm
Anticipated Start Date: October 1, 2019

Purpose:

The Children's Discovery Institute (CDI) requests applications for highly innovative and novel projects for research related to Hirschsprung's Disease, gut motility and other syndromes leading to intestinal failure.

Applicant Eligibility:

Applications may be submitted by any Washington University faculty member(s).

Award Term and Budget:

The annual budget for submissions is to be between \$100,000 and \$200,000 per year total costs, for up to three years.

Application Process:

For the Letter of Intent due June 17, 2019, please provide the following materials*:

- **Project Summary** (limit to no more than 200 words)
- **Letter of Intent** (limit to one page)
- **NIH Biosketches of Key Personnel** (limit of five pages per investigator)

*See full guidelines on the CDI website at the page noted below.

Following internal review, selected applications will be invited to submit a full three-page proposal that will be due on August 7, 2019.

Full guidelines and details for submission materials for the LOI and Proposal are on the CDI website on the Funding Mechanisms and Due Dates page found at:

<http://www.childrensdiscovery.org/Grants/FundingMechanismsDueDates.aspx>.

Note that all letters and accompanying materials must be submitted online at

<http://www.childrensdiscovery-application.org/login.php>. Please submit under center, "All Centers", and use the "Special Project (SP)" funding mechanism.

Please email cdi@kids.wustl.edu with any questions or concerns.
